### LETTER FROM THE EDITOR

*CIM Magazine* is a key benefit for the members of the Canadian Institute of Mining, Metallurgy and Petroleum and an essential resource for people working in the minerals, metals and materials sectors. We bring expert insight and editorial rigour to industry-related news, research, innovations and leading practices. From the geoscience and financial markets making mineral exploration possible to the technical and social aspects of closing a mining operation after the resource has been extracted, the award-winning and authoritative editorial in the pages of the magazine and across digital media captures the current state and developing trends in the industry.

RYAN BERGEN
